

## Making Membership Matter for Illinois Dermatologists!

As part of a new group membership initiative between the Illinois Dermatological Society (IDS) and Illinois State Medical Society (ISMS), **the IDS is going to pay YOUR ISMS membership dues for 2019!**

Here are a few of the benefits you'll enjoy as a new member of ISMS:

- Powerful advocacy for you and your specialty in Springfield
- Legislative updates, news and information on issues that impact dermatologists
- Medical legal guidelines, policy issue briefs, case studies and other unique resources
- Access to ISMS' payer advocacy experts, who can help you navigate third-party payer minefields, stay up to date on healthcare system changes, and more
- Dozens of CME programs at your fingertips
- More ways than ever to engage and influence healthcare policy here in Illinois
- Discounts on a wide range of personal and professional products and services

## IDS and ISMS – Partnering to Help You Be Heard!

Now more than ever, it is critical that physicians lead the charge to improve healthcare and raise our voices on issues that impact our profession and the care of our patients. The IDS and ISMS are working together to strengthen medicine in Illinois and put more resources at your fingertips to do so. **Visit [www.isms.org/valuedmember](http://www.isms.org/valuedmember) to learn more about all the benefits you now receive courtesy of the IDS!**

Questions? Contact [memberbenefits@isms.org](mailto:memberbenefits@isms.org) today to learn about all of the resources available to you as an ISMS member!
